

# Eat Cheese or Fly 2005

*Hosted by the Wisconsin Organization Of  
Spacemodeling Hobbyists NAR Section #558*

## Special Fun Events:

**In-Drag Drag Race:** Dress in drag to fly your rocket. The zaniest costume will win bragging rights and a prize. Any rocket may be flown in the contest as long as it is a safe flight.

**Junior Wildman Drag Race:** Junior flyers (under 14) fly a drag race event using NAR pink book rules. The winner gets a prize. The loser will wear the worst of the Adults' In-Drag drag race costumes.

**K1000 Skidmark Drag Race:** Four High Power rockets will launch simultaneously using Animal Motor Works skidmark motors. If you haven't seen a skidmark motor yet this will get your blood pumping! Brent Lillesand, Jerry Selensky, Scott Goebel, and Tim Lehr will be flying this event just for fun.
