

# 1<sup>st</sup> Annual Racine Fall Rocketry Festival

November 7, 2004      8 am. to 11am.

Hosted by the Racine R/C Club and the Wisconsin Organization of Spacemodeling Hobbyists.(WOOSH)

Everyone is invited to participate in this event!

Directions to the field:

Take I-94 towards Racine, Wisconsin until you reach Racine County. Exit at Hwy 20 and then go eastbound approximately 1.2 Miles on Hwy 20 until you see the 2-story brown brick building on your left. This building has a sign on it labeled the Racine Armed Forces Center. You may also see a sign labeled Mt. Pleasant Compost Site. Turn left here and follow the dirt road all the way down until you see our field on the right.

Walt Evans flying his Wicked Winnie

“G” impulse maximum

Flying will be conducted under the FAR 101 3.3 lb rule.

2000’ maximum altitude

All rockets will be safety checked and a flight card will be filed for each flight. The NAR safety code will be strictly enforced.
